INVEST IN FRANCE

Looking to develop a unique,
nature-based hospitality project
in the French mountains?

This rare site offers a preserved
natural environment, exceptional
accessibility, and strong year-
round tourism potential. An ideal
location for a high-end project
supported by committed local
authorities.

10,000 M² BUILDABLE LAND TOURISM DEVELOPMENT OPPORTUNITY

- 10,000m² of buildable land (total area of 30,000m²)
- Suitable for a boutique hotel, hotel residence, or an upscale hybrid hospitality concept
- Unspoiled views, peaceful and natural surroundings, outdoor activities year-round (summer/winter)

STRONG DEVELOPMENT POTENTIAL :

- Municipal Support: Local authorities are engaged and ready to facilitate the project
- Flexible Concept: Ideal for innovative hospitality formats (eco-lodges, wellness retreats, hybrid models).
- Double Seasonality: Strong potential thanks to both winter sports and year-round thermal tourism.
- Natural Appeal: A preserved mountain landscape offering a peaceful, authentic setting to create an experience rooted in nature and reconnection.
