TOURISM RESIDENCE · 24 UNITS

- Modern residence in a peaceful, green setting
- Fully accessible, single-storey building
- Shared areas with lounge, dining room, kitchen and terrace
- Harmoniously integrated into the landscape with forest views
- A functional site, ideal for tourism or wellness use

STRONG DEVELOPMENT POTENTIAL :

- Fully adaptable site for wellness, eco-tourism, sport, or leisure-themed stays
- Layout allows easy transformation into group lodging or long-stay formats
- Potential for creating a destination combining accommodation, wellness, and nature-based experiences
- Functional infrastructure requiring minimal modification
- Ideal for operators targeting flexible, multi-purpose tourism offers (residential + event + wellness)
